

*Basketball for Life!*

## Senior Women's Basketball Association *A Non-Profit Organization*

January 14, 2017

Dear Coach or Athletic Director:

The Senior Women's Basketball Association (SWBA) will again be sponsoring tuition grants for teenage girls from San Diego and Imperial Counties to attend summer basketball camps or clinics.

The SWBA has over one hundred women ages fifty and over who play recreational and competitive basketball at the Mission Valley YMCA. We are passionate about the game of basketball and have adopted the motto "Basketball for Life!" The mission statement includes providing financial support to girls (age 17 and under) in basketball, especially those for whom attending basketball camp would be a financial hardship.

Attached is a flyer explaining the purpose of the grants and the eligibility criteria, along with the grant application.

If you know of girls who would benefit from this **financial aid**, please pass this notice and application to them. Feel free to copy this information and distribute it to potential applicants and to other coaches.

If you have questions regarding the grants, please contact the Senior Women's Scholarship Committee. The contact information is listed below. For email contacts (the preferred contact method), please place "SWBA GRANT" on the subject line.

Kathy Morrissey, Chair  
SWBA Scholarship Committee
